What's it like being an Extended Provision Assistant in LAAT?

Introduction

At the heart of every thriving school is a dedicated team. We're looking for passionate individuals to join our team as an Extended Provision Assistant, offering not just a job, but the chance to contribute to a supportive and caring school environment.

As an Extended Provision Assistant, you will play a vital role in the daily life of our school, ensuring a safe, supervised and engaging environment, providing children with crucial support outside of the regular school day, fostering their academic, social, and emotional development. It's about fostering a positive environment where children feel supported, respected, and encouraged to develop social skills and healthy habits.

Why this role matters

This role provides wrap-around care for children before and after regular school hours, which creates a positive and impactful environment for both students and staff.

You act as a mentor, offering emotional support and building strong, positive relationships with the children you work with, which is a key part of the role. Other reasons that this role matters include:

Encouraging academic success: Assistants help with homework and organize enriching activities that reinforce classroom learning, which is especially beneficial for disadvantaged students. After-school care has been shown to improve attendance and attainment.

Enhancing social and emotional skills: By interacting with children in a less formal setting, assistants help them build positive relationships with peers, practice teamwork, and develop confidence and self-esteem.

Promoting well-being: Extended provision provides a safe, structured space for children to unwind and engage in productive activities, which is a healthy alternative to unsupervised free time. The enjoyment that children experience in these groups can also improve their overall attitude toward school.

Welcome from the CEO of The Trust – LAAT

Be a part of something bigger...

Dear Candidate

What if every child was unique with **intrinsic value**? What if every member of staff was unique with intrinsic value? What if every school was **unique** with intrinsic value? At LAAT we believe that they are.

We're a **Church of England** trust so we call it being made in the image of God. But you don't have to. You just need to be able to look at our children and young people – however deprived or privileged, however difficult or compliant, whatever their background, or ability, or culture, or gender – and know that what you do, how you teach them, what you give to them, how you relate to them can **transform** their lives. And then you must have the energy, and passion, and drive, to give them your best.

We don't ask you to do this alone. We'll provide you with the **support** of a MAT who believes that you too are unique and **valuable** – valuable for who you really are.

So, is now the time to think hard about what you want and to look at what Greater Lincolnshire and Lincoln Anglican Academy Trust can offer you? A chance to grow your career, **professional support** and the opportunity to transform lives.

Within fabulous **Greater Lincolnshire** with its beautiful beaches, woods, Wolds, fields and fens its 2-university city and its access to new and growing technologies. Its **reasonable priced houses** and home to the Red Arrows.

Is now the time to find out more about us and to join our **community of Excellence, Exploration and Encouragement?** To change lives with us, for the better .

About Brown's Church of England Primary School

Inspire – Believe – Achieve

'Caring. Learning. Enjoying, Achieving. All within the love of God'

Brown's Church of England Primary School was established in 1691 by Edward Browne, we are pleased to serve the communities of Horbling and Swaton. We have a long history of service to the local community stretching back over 300 years.

As a Church of England school which is part of the Lincolnshire Anglican Academy Trust, we value the spiritual as well as the educational development of all our children. We seek to be inclusive of everyone and to help our children to build their lives on firm moral foundations of love and service of one another.

Parents are welcomed and valued as partners in their child's education, as we believe that our children learn best when staff and parents work together. Together we can ensure our school remains the popular and very special place that it is today.

The school staff will promote and model clear and consistent expectations to pupils which promotes the safety and welfare of all; this is a crucial part of our culture of safety and care for every adult and pupil within the school. Pupils and staff will begin the term discussing what good learning behaviours are and how staff and pupils will show this in the school daily.

At Brown's we care about every pupil and want them to feel safe so that their learning potential and feelings of self-worth are optimised. Staff do this by always striving to create school environments that are calm, kind, welcoming and where they promote strong, positive relationships between adults and pupils.

We believe that every child has the power to achieve and we will help to guide, protect, support and nurture pupils, helping them to make the right choices and when this does not happen, to help them put that right and to be forgiven by others as well as forgive themselves, we will help each other to see that mistakes happen and they are there to learn from.

We are all extremely proud of our school and committed to providing the very best possible education for all of our children. Brown's Church of England Primary is a school where children are happy and feel a sense of belonging. They are supported, encouraged, nurtured and loved. They enjoy learning in a stimulating and attractive environment in which each child is encouraged to have fun whilst achieving their potential in the widest sense. It is within this positive nurturing ethos that children understand the skills they need in order to learn. We want our children to develop lively and enquiring minds, to discuss and debate, to be creative and imaginative and to apply themselves well as they strive to reach their full potential in all aspects of school life.

We live through our values of Hope, Peace, Courage, Friendship, Trust and Compassion and every decision we make within the school environment is made by firstly considering what is in the best interest of our children. In this way, children lie at the heart of everything we do.
